We cordially invite you to participate in the 49th Annual Meeting of the North Texas Chapter of the American College of Surgeons. The meeting will take place February 12-13, 2010, at the Cityplace Conference Center in Dallas, Texas. This meeting is the primary CME activity for surgeons of all specialties in Northern Texas. Many of the members in attendance include program directors and department chairs. Approximately 1,200 surgeons are affiliated with the North Texas Chapter of the American College of Surgeons, and attendance at this event includes approximately 125-150 local surgeons.

Exhibiting companies will have access to a display area for product display in order to network with surgeons attending the meeting. A single six-foot draped and skirted table with chair will be provided in the ballroom pre function area. Two continental breakfasts and daily refreshment breaks will take place within the exhibit space. These session breaks offer an opportunity for attendees to network and visit with exhibiting companies. Recognition of sponsorship will be communicated to attendees in the program book and via signage throughout the meeting. The fee to exhibit is \$1,500. Companies interested in sponsoring the meeting are most welcome—sponsorship opportunities begin at \$1,000.

Please let us know if you would like to exhibit or contribute in the form of an educational grant for the NTC-ACS 2010 Annual Meeting. If you would like to support this meeting or would like more information, please contact the North Texas Chapter of the American College of Surgeons Headquarters at 913.402.7102 or meetings@ntexas.org for more details.

We hope to see you there!
